Mayor, City of Lake Elsinore

A MESSAGE FROM OUR MAYOR LET'S TALK LAKE ELSINORE

Spring is here and I am excited to share the latest activities occurring in Lake Elsinore. With great weather ahead, it's time to bring our community together to enjoy everything we have to offer.

First, I want to welcome our newest businesses to our City - Raising Cane's, Chipotle, Jersey Mikes, Taco Bell, Auto Zone, Rocket Chevron, Never Better Frozen Yogurt, and soon The Mad Axer and Craft Brewing & Kitchen at the Outlets at Lake Elsinore. We appreciate your investment and interest in serving our community.

This year, the City is focused on highlighting the people and things that make our community special as part of what we are calling "Spotlight Lake Elsinore." This includes engaging our community by creating opportunities for dialogue with and amongst our citizens. In December, we launched a new Monday Minute video series. Each week, in about one minute, I cover a topic of interest such as an upcoming event or a program in the City. We are also now creating videos as part of Spotlight Lake Elsinore to promote and recognize our small downtown business owners. And, I am hosting monthly one-hour meetings in collaboration with the Chamber of Commerce called B.Y.O.B (Bring Your Own Breakfast) or B.Y.O.D (Bring Your Own Dinner) where citizens can come to share their ideas and discuss anything related to Lake Elsinore.

In addition, we are supporting our business community by participating in the recent revival of the Downtown Merchants Association, also known as the DMA. Creating a vibrant, 18-hour downtown is amongst one of our top priorities. To do so, we seek to attract more people on Main Street through collaboration and events like Mornings on Main, which is now a weekly farmers market on Sundays, and soon, the newly named Feet on Street Car Cruises.

To showcase just how awesome Downtown is, we will be hosting this year's 2022 State of the City Address in Downtown Lake Elsinore on Thursday, September 29. Save the date, you don't want to miss some of the fun surprises we have planned. Before then, be sure to check out some other upcoming events including the Spring Jamboree on April 16, Twenty 22 Petwalk on May 7, and my favorite, Opening Day for Storm Baseball taking place on April 12.

Lake Elsinore truly has so much to offer and we are eager to share this with others. To showcase the beauty and uniqueness of the City, we have started working on a new initiative - Film Lake Elsinore. Film Lake Elsinore will elevate the City as a destination for all types of filming including for motion pictures, television, still photography, advertisements, and much more. If you have a home, business or property you would be willing to offer for filming or if you are connected in the industry, please email me at tjsheridan@Lake-Elsinore.org.

Lastly, I want to assure the community that we have listened and are expanding our economic development efforts to attract new and different investments and businesses to our community. Many have asked about the old Walmart Shopping Center and I am happy to share that we are seeing interest here and hope to announce more soon. This center is now positioned for greater interest as it is located directly across from our new on- and off-ramps for the Railroad Canyon Road Interchange. This project is nearly complete. We invite you to join us to celebrate the completion of the roadway improvements on Thursday, April 21 at 11 a.m. next to Starbucks and Jersey Mike's in the Walmart Shopping Center.

Also, be aware, the City has officially started construction on the I-15 Main Street Interchange project that will improve circulation and encourage more investment in this part of the City. Investing significantly in infrastructure and roadways is just one of many ways we are investing in ourselves to encourage growth and opportunities for our community.

It is my privilege and honor to serve the City and its citizens. I look forward to a productive year ahead.

Sincerely,

Timothy J. Sheridan

LEGISLATIVE UPDATE

SWCLC Southwest California Legislative Council

Starting out in 2022, there's a lot happening- COVID is in retreat, gas prices certainly are not, and there is chaos abroad... and as happens most every year, our California legislators have again come up with thousands of new ways to change our lives, for better or worse. The Southwest California Legislative Council and your local Chamber of Commerce will be keeping an eye on all of them and work to stop the bad ones and help the good ones.

Before we get into legislation, let's set the stage for the chaos ahead this election year. It all started back in 2012, when voters passed Prop 28 and changed term limits from 14 years (6 in Assembly and 8 in the Senate) to 12 years total in any combination, and the clock is running out on the first class of legislators under those limits. Between 2024 and 2028, pretty much the entire Assembly will be new- and what we're seeing for 2022 is that retirements are getting an early start. Add to the electoral mix the newly minted district maps, changing community alignments and voter populations and you have a recipe for a lot of legislators changing jobs or planning to at the end of the term. So far as many as 26 current legislators have resigned or announced they will not run for reelection this year, and that number could still rise- that's over a quarter of the seats up for election this year!

The best word to sum it up the mood is 'distracted'- whether it is looking for the next gig, campaigning in a new district, or just trying to navigate everyone else that is, we're seeing a bit of a muted set of bill packages- not to say that there won't be really bad bills and really good bills, but that there might be a few less that rise to focus on compared to the litany that came from our friends in the Capitol in previous sessions.

Let's start with some of the things that are coming back to haunt us- 2-year bills. The most notorious did not even make it to a floor vote on the last day, AB 1400/ACA 11, which would have created a universal healthcare mandate for all Californians, coupled with over \$168 billion in new taxes. Another dangerous bill we've opposed is AB 1001, which reforms CEQA to add considerations for environmental justice in the review process, a guarantee that we'll be building a lot less of anything pretty much everywhere. Finally, we're opposed to a takeover of employment issues in the fast-food industry by opposing AB 257.

There is some good news though- we're pushing to restore the Net Operating Loss deduction that was suspended in the

2020-21 budget (AB 87/SB 113) to provide relief to businesses. We're also pushing to support additional water infrastructure for Metropolitan Water District, asking to fund projects to mitigate the drought with the state's largest surplus. And on the budget note, we're fighting to use some of the surplus to replenish the Unemployment Insurance fund to reduce the burden on businesses having to repay that deficit caused by COVID's mandated shutdowns. Hopefully, Assembly member Seyarto will be successful in helping our housing and get AB 1748 passed so surplus city or county land can be used to create more of the housing units we need.

And of course, there will be Propositions- so far there are 3 that have qualified for November- dealing with medical negligence and insurance, plastic waste from single use plastics, and tribal gaming. There are still 45 additional measures circulating signatures with a few months left to qualify, so we'll be weighing in on the ones that qualify later this year.

As always, we invite you to attend the Southwest California Legislative Council meetings, now back to in-person meeting the 3rd Monday of every month at the Southwest California Association of Realtors offices in Murrieta. Contact your local Chamber of Commerce for more information.

THE LAKE ELSINORE HOUSING JOURNAL

ADAM A. RUIZ FOR THE SOUTHWEST RIVERSIDE COUNTY ASSOCIATION OF REALTORS®

Welcome to another edition of the REALTOR® Report! We're just over 60 days into the new year, things are still moving quickly, and the market is still red hot!

Our housing numbers continue to be strong. I want to highlight a few things. First, while you may see some decreases month over month in the number of units sold, median prices continue to increase across the region. This might be attributed to homes that have sold above \$1,000,000 – 2 in Canyon Lake, 2 in Winchester, 8 in Murrieta, and 11 in Temecula! Additionally, if you compare median prices month over month, while some cities did see a slight decrease, we are up and continue to see significant increases as a region. Let's take a more detailed look.

The median home price in Southwest Riverside County had an increase of 8% from a month ago (\$584,250/\$540,000), was up 22% from a year ago (\$479,500), and up a staggering 44.3% from 2 years ago (\$405,000). Unsold inventory is still hovering near 2 months (6 months is considered a healthy market), and days on market decreased from last month to 9 days, up from 6 days last year but still significantly

lower compared to 30 days 2 years ago. Unit sales are down 11% from the previous month but up 4% from last year. Inventory saw a relatively significant decrease of 23% from the last month but is up an incredible 47% from this time last year. Median prices are up in all of our local cities, ranging in an increased range of 14.0%-28.9% Year-Over-Year.

On the Legislative Front, we're busy sorting through the almost 5,000 Bills that were introduced this legislative cycle. After meeting with the State Association's lobbying team, we know that we'll be playing a lot of defense this year against Bills attacking real estate and small business issues. They noted that rental housing would be a popular topic throughout 2022. In the past, bills would be written to attack something very directly. Now, it was best described as death by a thousand cuts, with bills attacking parts of issues, which only give them a foot in the door to do more damage. Don't worry; we're watching closely and will be sure to continue fighting on your behalf!

Lastly, the filing period for the Primary Election closes this week. We'll soon know who's running for what, and we will be looking to back those candidates who understand and are open to our issues and concerns. Stay tuned for more information in the coming reports.

As always, I am available if you have any questions about the report. Until next month...

9 SIGNS YOUR HORMONES ARE OUT OF WHACK

These symptoms may indicate you have a hormonal imbalance.

Does it seem like your mood is as changeable as the weather? Have no energy or feel like your brain is in a fog? It could be due to your hormones. Women naturally experience fluctuating hormone levels throughout their menstrual cycles that may cause physical and emotional symptoms. But some women find they feel "off" in ways that are unconnected to these normal hormonal fluctuations.

Here are 9 signs your hormones may be out of whack:

- 1. Mood Swings:** Premenstrual syndrome (PMS) may result in hormonal changes before and during your period that cause irritability, depression or anxiety. But if you find that your mood swings are off the charts or they don't seem to coincide with your menstrual cycle, it may be a sign that your hormones aren't in sync.
- 2. Irregular Periods:** Most women's menstrual cycles last between 21 and 35 days. If your periods are longer or shorter than what's typical for you or your period starts skipping months, it may be due to a hormonal imbalance. This can make it hard to get pregnant if you are trying.
- 3. Poor Sleep:** If you're having trouble getting a good night's sleep, it may be a result of low levels of progesterone. A decrease in estrogen may also contribute to sleep disruption, night sweats and hot flashes.

4. Acne: Many women break out around their periods. But if you have acne all the time, it could be caused by high androgen levels, which can make oil glands go into overdrive. High androgen may be a sign of polycystic ovary syndrome (PCOS), which can cause infertility and other health issues.

5. Brain Fog: Women entering menopause may experience difficulties with memory and concentration, referred to as "brain fog." This has been linked to declining estrogen levels.

6. Fatigue: While being tired can be due to many causes, one possibility is that it's caused by too much progesterone. Another common hormonal imbalance that causes fatigue is low thyroid hormone levels (hypothyroidism).

7. Headaches: A variety of health issues may cause headaches, but a decrease in estrogen is a common cause in women.

8. Vaginal Dryness: Falling estrogen levels during perimenopause and a lack of estrogen after menopause may lead to vaginal dryness. This can cause pain during sex.

9. Low Sex Drive: While testosterone is known as a male hormone, it affects women as well. Low testosterone levels may result in women having a low libido (sex drive).

Causes of Hormonal Imbalance

There are many potential causes of hormonal imbalance, including pregnancy, perimenopause, menopause, polycystic ovarian syndrome (PCOS), thyroid disorders or being under or overweight. Side effects of medications, such as fertility and cancer treatments, can also affect hormone levels. If you have any concerns about the symptoms you're experiencing, talk to your doctor.

Although some causes of hormonal imbalance may require medical care, there are ways you can help your hormones stay more well-balanced, too. These include managing stress, eating a well-balanced diet, keeping a regular sleep schedule, and limiting caffeine and alcohol.

This special message is brought to you by Southwest Healthcare System – Inland Valley Medical Center in Wildomar and Rancho Springs Medical Center in Murrieta.
