OFFICE OF THE MAYOR CITY OF LAKE ELSINORE
MAYOR BRIAN TISDALE NEWSLETTER

Dear Residents of Lake Elsinore,

As we step into the spring season, Lake Elsinore is alive with renewed energy and a strong sense of community. Spring offers the perfect opportunity for us to celebrate what makes our City truly one-of-a-kind.

This spring, we've got a packed schedule of events that will bring the community together and showcase what makes Lake Elsinore a great place to live. Whether you're pushing yourself to the limit at the Color Run, walking with your four-legged companion at the Petwalk, or enjoying some good food and fun at TacoFest, there's no shortage of excitement this season. And, of course, we can't forget the Bunny Truck Hop, a family-friendly event that brings a little extra joy to the community.

As we enter the Lake Kick-Off season, there's no better time to enjoy the natural beauty of Lake Elsinore. Whether you're an experienced angler or just looking for a fun outdoor activity, don't miss the Fishing Derby in May—a great way to enjoy the water and compete for some great prizes. For those looking to take in all that the lake has to offer, Launch Pointe is the perfect spot to enjoy a variety of water activities, from boating to kayaking. It's an exciting time to get outdoors and make the most of our lakefront lifestyle.

In May, we pause to observe Memorial Day, honoring the brave men and women who gave their lives in service to our country. It's a time to reflect on their courage, dedication, and selflessness, and to express our deep gratitude for their sacrifices. As a community, we come together to remember their impact, celebrate their legacy, and reaffirm our commitment to the freedoms they fought to protect.

I encourage you to take part in these events, support your neighbors, and enjoy the spirit of the season. Let's continue to make Lake Elsinore a place where we all Dream Bold. And don't forget to tune in to the Connect LE podcasts every month to stay up to date on everything happening in our city. It's a great way to keep connected with all the exciting developments, events, and news right here in Lake Elsinore.

Warm regards,

Brian Tisdale
Mayor, City of Lake Elsinore

EL SINORE

ABOUT OUR CITY...

Extreme is Lake Elsinore's middle name! Our unique City is famous for the warm thermal winds that blow in from the neighboring Ortega Mountains. Those winds have turned Lake Elsinore into a major center for skydiving, hang-gliding and other aerial sports. Located in the center of our City is a 3,000 acre natural lake, hence the name Lake Elsinore. Our Lake is a popular venue for daring (or not-so-daring) boaters, jet skiers, and water ski fans as we boast an unlimited speed limit (in the center of the Lake).

Skydiving, hang-gliding, baseball, golf, off-road racing, fishing, boating, jet skiing, water skiing, paintball, skateboarding. . . You name it, Lake Elsinore has it!

The City has long been a destination for action sports and extreme activities. The community embraces life and dares to push the boundaries to achieve its goals. Lake Elsinore's programs, facilities, and natural environment will define the City as a destination for action and adventure for both visitors and residents.

Some of our most popular events include the Summer Concert Music Series at Lake Elsinore Casino and the Live at the Lakefront free community concerts at Launch Pointe. In addition the City hosts the Dream Extreme Fishing Derby, Kid's Fishing Derby, Jet Boat Races, Jet Ski Races, Mud/Flow Fun Runs, Numerous Ski Diving Events, Summer Car Cruises in Historic Downtown Lake Elsinore, Movies in the Park, Lake Elsinore Storm Baseball, the Annual Mariachi Fest, the Annual Taco Fest, the Annual Dia De Los Muerto Celebration, and the Annual Winterfest.

LEGISLATIVE UPDATE

significant role in shaping policies that impact Californians. One such body, the South Coast Air Quality Management District, continues to push forward ambitious environmental regulations. A response to the 2022 Air Quality Management Plan, which aims for a 67% reduction in nitrogen oxide emissions by 2037, has led to Proposed Rules 1111 and 1121. These rules would require consumers to transition from gas-powered furnaces and water heaters to electric models upon replacement. While the proposed effective date is 2029, concerns over cost burdens and electricity grid sustainability remain unresolved.

In the broader policy landscape, several significant legislative efforts are taking shape. One area of focus is energy regulation, particularly in relation to data centers that support artificial intelligence. Consumer protection, Artificial Intelligence, Housing Development and Affordability and Immigration Policy are all key areas the

As we move deeper into 2025, the state legislature is in full swing, with over 2,300 bills introduced for the first year of a new 2-year session. Despite new limits on the number of bills that can be proposed, the volume remains substantial. These legislative proposals will now begin making their way through committees, where discussions and deliberations will shape their future.

Among the key issues facing the legislature is uncertainty surrounding federal funding. With California relying on federal funds for approximately one-third of its budget, many are closely monitoring and awaiting President Trump's budget proposal, which will provide much-needed clarity on how the state's finances may be impacted. Governor Gavin Newsom has also called for a special session to reinforce California's stance on key issues, including immigration, climate change, and civil rights. As part of this effort, he has proposed a \$50 million allocation to strengthen the state's legal defenses against anticipated federal policies.

Beyond legislative activity in Sacramento, regulatory agencies play a

legislature will be focused on in 2025.

Regional advocacy efforts also play a vital role in shaping legislative outcomes. The Southwest California Legislative Council (SWCLC) remains engaged in assessing legislation that impacts the business community, taking positions of support or opposition as necessary. In addition to local discussions, SWCLC will engage directly with key legislators in Sacramento during its annual Advocacy Trip in June. As the voice for Southwest Riverside County businesses, SWCLC ensures that the region's concerns are effectively represented. For more details on its initiatives and meeting schedule, visit www.southwestca.org.

As the legislative session continues, California's lawmakers will need to navigate a complex interplay of budget constraints, federal policies, and competing priorities to deliver meaningful change. With significant regulatory shifts on the horizon and a multitude of proposed laws under review, this year is shaping up to be another eventful one for Californians.

SUMMERLY COMMUNITY PARK

18505 MALAGA ROAD

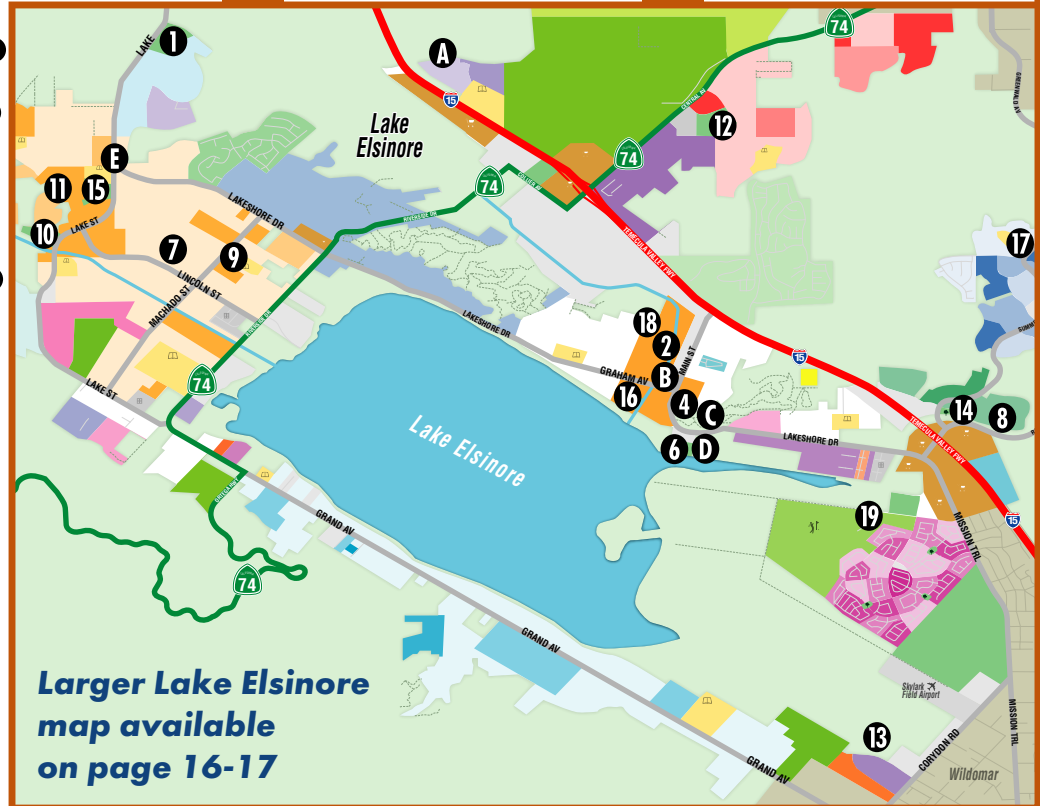

Phases one and two were officially opened on March 1, 2018. These first two phases include and world class 10,000 square foot skate park, two lit ball fields (1 Major and 1 Little League), two picnic shelters, one basketball court, a mini multi purpose field, restroom facilities, and hundreds of designated parking spaces.

Phase 3 brought two additional ball fields (one Major and one Little League), a small and large dog park area, two tennis courts, grass picnic areas, and a children's playground.

The purpose of the corporation is to provide a local high school recognition program which will acknowledge and honor students for their character, their love of learning, commitment to academics: in addition to, their participation in athletics, school activities, community service: or the ability to preserve and overcome difficult life circumstances in a setting that honors God, Country, Family, Community, and Free Enterprise.

HONORING STUDENTS IN OUR COMMUNITY OF LAKE ELSINORE

The Lake Elsinore Community Foundation is a 501(c)3 organization that supports the Lake Elsinore Valley Chamber of Commerce Student of the Month and Student of the Year Program founded 33 years ago to honor college & trade school-bound seniors. The Lake Elsinore Program was founded in 1996 – as we begin our 29th season in 2024/25.

8 STUDENTS SELECTED EACH MONTH

There is one female and one male student from each of the Comprehensive High Schools (EHS, TCHS, & LHS) along with one male or female student from each of the other two (2) schools.

PARTICIPATING SCHOOLS

There is one female and one male student from each of the Comprehensive High Schools (EHS, TCHS, & LHS) along with one male or female student from each of the other two (2) schools.

DID YOU KNOW THAT ALCOHOL MAY INCREASE CANCER RISK? NEW WARNING LABELS MAY BE A REMINDER

Ever notice the health warnings on cigarette packs or prescription medicines? Some health experts are advocating for adding similar warnings on alcohol bottles and cans to highlight the role alcohol may play in increasing the risk of cancer and other health conditions.

Alcohol has been linked to health risks for years, but new research is shedding light on how serious these risks can be. Studies now connect alcohol consumption to more health problems than previously understood, including cancer, heart disease and mental health issues. Alcohol has been cited as a leading preventable cause of cancer and growing research shows that even drinking within recommended limits may contribute to several types of cancer.

Recent reports, including one from the Surgeon General, emphasize that these risks have been largely overlooked. Some public health officials worry that many people are unaware of the health risks of consuming alcohol, especially as it relates to alcohol's effect on cancer risk. People may assume that it's okay to drink within recommended limits but don't realize that the risk of some cancers increases even with a small amount of alcohol.

Unlike cigarettes, alcohol bottles don't have detailed warnings about health risks and advocates of the warning labels believe it's time for labels to catch up with the science. Alcohol already contains warnings about the dangers of drinking while pregnant or before driving, but the proposed warning labels may include additional information about alcohol's link to cancer and other diseases. If warnings are added, they'll aim to give consumers information about potential health risks so they can make more informed choices.

While moderate drinking has generally been considered safe for most adults, the risk of some types of cancer increases even when drinking within recommended limits. According to the U.S. Centers for Disease Control and Prevention (CDC), moderate drinking is defined as one drink per day for women and up to two for men. One drink is the equivalent of 1 ½ ounces of distilled spirits, 5 ounces of wine or 12 ounces of beer. However, the amount of alcohol per drink may vary based on the percentage of alcohol by volume (ABV) of the beverage.

Warning labels on alcohol won't stop everyone from drinking, but they can help people better understand how what they're putting into their bodies might affect their health. Proposed changes to these labels are about giving you the information you deserve but they have not been approved by lawmakers yet so it remains to be seen if they will appear on bottles and cans of alcohol in the future.

This message is brought to you by your friends in healthcare at Southwest Healthcare System, which operate Inland Valley Medical Center in Wildomar and Rancho Springs Medical Center in Murrieta. For a free physician referral, call 1-800-879-1020.

DIAMOND STADIUM OF LAKE ELSINORE

The Diamond is the crown jewel of Lake Elsinore, CA. It is home to the 2022 California League Champion, Lake Elsinore Storm, and was voted the best ballpark in Single-A baseball in 2020, 2022 and once again in 2023. The stadium also includes the recently renovated Diamond Taproom Brewery, Storm Events, and its own catering organization that has put on catered events for hundreds of local businesses.

The Diamond Taproom opened in 2020 and was renovated in 2022 to become a fully functional brewery. They not only offer gorgeous ballpark views but gourmet food and quality service in-season and off-season long.

The Diamond has been constantly renovated over the last few years to make it the premier entertainment venue of the Inland Empire. The latest additions include the High-Top Seating behind home plate, batting cages, and brand new offices connected to the clubhouse, a renovation of the home and away clubhouses, and a complete remodel of the connected restaurant.

These renovations allow the stadium to house large-scale concerts, stand-up comedy performances, festivals, catered events, retail markets, and much more. It is the goal of The Diamond to not only put on the best show in baseball but to house the best shows available.
